Charming farmhouse in Whitchurch becomes available

BCM, the rural management company based in Sutton Scotney, is delighted to announce the availability of this charming farmhouse just outside the small town of Whitchurch on the upper reaches of the Test valley in Hampshire. It boasts an idyllic location with spectacular countryside views in an elevated position.

Southfield Farmhouse is a substantial family home with four double bedrooms, a farmhouse kitchen with an Aga, and also has four stables, a tack room and the opportunity to rent adjacent grazing if required.

The farmhouse is approached via a gravel driveway off the lane, which provides ample parking and turning, plus easy access to the double garage and on to the stables and tack room. Surrounded by open countryside it really is a dream place to live.

Whitchurch has a thriving centre and many amenities including a main line railway station with London Waterloo only 65 minutes and is close to fast road communications to various parts of the country.

The rent is £2,000 per calendar month. For more information and to book a viewing contact BCM's letting department at lettings@bcm.co.uk or telephone Cheryl Pickett on 01962 763900.
