Bays Curry McCowen (BCM) made the double, when asked to officiate in two auctions of farm machinery and implements within two weeks.

The first follows the sale of Somborne Park Farms and BCM have been instructed to hold an auction at Park Farm, Little Somborne, near Stockbridge in Hampshire. The date of the sale is **Wednesday 21st February** with selling commencing at 10.00am. With over 600 lots on offer the auctioneers are expecting a great deal of interest.

The second auction BCM received instructions for, followed the restructuring of Woolbeding Farms Limited, after Sir Simon Sainsbury passed away last year. The auction will be held at Treyford Manor Farm, Treyford, Midhurst in West Sussex, on **Tuesday 27th February** with selling commencing at 10.30 am. With a wide range of equipment on offer including potato and irrigation equipment, the auctioneers are expecting interest not only locally but from far a field. There are over 250 lots on offer of high quality machinery and implements.

For a catalogue and further information contact BCM, the auctioneers on 01962 763900 or download one from [www.bcm.co.uk](http://www.bcm.co.uk)
