## Woodland and Pasture Estate Snapped Up

Bays Curry McCowen (BCM), a rural asset management company from Sutton Scotney, sold this period farmhouse with over seven acres of woodland and pasture for an undisclosed sum, without it even reaching the marketplace.

Originally a pair of cottages that were knocked into one many years ago, this farmhouse is situated in a stunning woodland glade with magnificent views across the Meon Valley.

There are a range of traditional outbuildings and the whole estate was bought by Mr & Mrs Mitchell
