## New Equity Partner for BCM

Alastair Wilson was invited to become an equity partner in BCM, the rural property specialists based in Sutton Scotney, from 1<sup>st</sup> April 2009. Alastair has been with BCM since its inception in 2001 and has built up a large and varied client base dealing with sales, purchases and the management of all types of rural property.

Alastair said "I was delighted that the equity partners asked me to join them and I am excited by the prospect of being more involved in the future direction and management of this very successful growing rural business."

Andrew Bays, one of the partners, said " We are very pleased that Alastair agreed to join us as we feel he greatly contributes to both the skills and mix of characters within the partnership. We look forward to continuing and building on our current success.

This opportunity comes at a very exciting time for Alastair, as he and his wife Heather celebrate the birth of their first child, a son named Harry. We all offer our congratulations to them both."
