This attractive pair of three bedroom cottages have a wonderful rural location on the South Downs Way, in the hamlet of Chilcomb, known for its 12th century Norman Church. Chilcomb nestles in the valley of the South Downs off the A 31 east of Winchester and is only two minutes from the motorway.

Enterprise and Apple cottages are situated along a no through road giving welcome privacy and boasting beautiful views over the rolling countryside. Each cottage has three double bedrooms with two reception rooms and a kitchen over looking the gardens, which run along the side and back of the cottages.

They are being offered for sale, either as two separate properties or also on offer as a rare opportunity to convert them into a single dwelling, subject to the necessary consents. The asking price is £335,000 for Enterprise Cottage and £360,000 for Apple Tree Cottage, which is slightly larger.
