Quality Rural Properties Becoming Available to Let

BCM report a strong market in quality rural properties, mainly as a result of the well documented problems in the transactional property market.

A number of particularly well appointed family properties in rural areas have come to BCM recently, which have been rapidly snapped up, including a lovely four bedroom detached house near Stockbridge, a seven bedroom farmhouse in Privett and a thatched cottage in Micheldever.

Properties currently available from BCM include Manor Farm at Bramdean, a 5 bedroom family house with beautiful gardens surrounded by fields, close to the market town of Alresford; Wallop Brook Lodge, a pretty converted dairy in the village of Houghton near Stockbridge; and The Clockhouse, a three bedroom house on a private estate in Stratten Park between Winchester and Basingstoke.

Romy Adlington, of BCM's letting department, comments, "We are seeing sustained demand for family sized rural properties, particularly when they are located within striking distance of good schools".

For more information on current rental properties that are still available, contact BCM on 01962 763900 or email lettings@bcm.co.uk
