Annual Farm Walk and Farming Competition

Every year the Fareham and Hampshire Farmers Club hold a Farming Competition – this year on 26th and 27th June. Bays Curry McCowen (BCM), a rural asset management company based in Sutton Scotney, help out by acting as stewards to the judges whilst visiting the entrants farms. This year there are eighteen entries over the three classes, and it is likely to be hotly contested as winning is considered a high achievement.

This is followed by the annual Farm Walk on 30th June, this year at Preston Farms on Lord Sainsbury's estate. More than 150 people are expected and the afternoon starts with tea, sponsored by BCM, followed by a tour around the estate showing all the different aspects of farming and how they are managed on this particular estate.

Matthew Atkinson will be providing a fantastic barbecue afterwards, which culminates in the winners of the Farm Competition being announced.
