Offices – The Byre – Manor Farm

Bays Curry McCowen (BCM), on behalf of Manor Farm, Beauworth, have let The Byre to Nicholas Tripp Associates on a 3 Year lease at a rent of £10,000 per annum.

The tenants run a landscape and garden design consultancy, adopting a sophisticated, yet traditional approach. Completed projects include large gardens and estates in the UK, Jersey and Ireland and they were fortunate enough to be asked again to design the Alitex Glasshouse stand on the Main Avenue at Chelsea this year. This stand received, for the third year running, the prestigious Sundries Award, the highest award given for a trade stand at Chelsea.

Reasons for the move to these premises included a need for a building that provided high natural light levels to facilitate design drawing, a site that allowed for the expansion of the business and the provisions of better access for staff in a wonderful rural setting.
