Opportunity to live in Basing Barns Conversion

Bays Curry McCowen, a rural asset management company, have announced availability to rent a home in Basing Barns in Privett, a superb location for rural living, in a traditional historic barn setting, enjoying an inspired design and excellent road and communication links.

The Barns originate from 1860 and restoration began in July 2003 to provide a range of residential properties from a traditional detached one bedroom house to a smart four bedroom family home with exceptional views of the surrounding countryside.

Two houses have recently become available; Unit 8 is a three bedroom one reception room with a fantastic corner location giving double aspect views over the countryside; Unit 19 is a larger house with three bedrooms and three reception rooms, with frontage onto a pretty courtyard and views from the rear of the property.

Basing Barns properties are much sought after, so early inspection is imperative.

For further information on availability and forthcoming properties to let at Basing Barns contact the Lettings Department at BCM on 01962 763900 or e mail her at lettings@bcm.co.uk
