

PRESS RELEASE

For immediate release

ENTER THE LAND OF MILK...AND HONEYMANS FARMHOUSE

Imagine being able to leave the city and within minutes disappear into your own rural hideaway.

It may sound very Alice in Wonderland but your imagination is not running away with you. In fact the ambition could be achieved in a matter of weeks by talking to Bethan Connell of BCM, rural property specialists.

Bethan is seeking new tenants for Honeymans Farmhouse at Owslebury, just a short drive from the bustle of Winchester yet a world away from the hubbub of daily life experienced by most people. The house has recently been refurbished to a very high standard yet has lost none of the character or features that have brought it Grade II-listed status.

Set down a long drive and among extensive lawned gardens, the property is also enhanced by a small paddock, extensive outbuildings, and driveway parking for several cars.

Open fireplaces, woodburning stoves, and heavily beamed ceilings set the tone inside, where the large drawing room enjoys views of the surrounding countryside. A sitting / play room further enhances living space and there's a more formal dining room – for those who like to entertain or cook for a large family the spacious kitchen is equipped with an electric range cooker and plentiful workspace.

There are stunning views from the first floor master bedroom which features an en-suite bathroom with roll top bath and separate shower cubicle. There is a further double bedroom with exposed beams and high ceiling, a third double which can also have access to the master en-suite, and an occasional fourth bedroom. The family bathroom is now equipped with a modern suite.

Honeymans Farmhouse, which is close to a selection of good schools, is offered at a monthly rent of £3,500 with minimal fees. For more details, contact BCM rural property consultants on 01962 763 900 or email bconnell@bcm.co.uk
