GUESTS

Esme Shakeshaft - Moore South Chartered Accountants

Claudia Roberts - Glanvilles Damant Legal Services

BY

Zoom Meeting: [Register here](#)

DESCRIPTION

As rural property markets surge and concerning tax clouds gather, now is the time to review how ownership, succession, retirement and the business all fit together.

Our joint webinar has assembled land agency, legal and accountancy experts to look at a fictional, but typical, family farm moving into 2021. As the post lockdown kitchen table meeting unfolds there will undoubtedly be valuable guidance to help navigate this increasingly complex subject.
